### **Color Matching :**

Whilst every effort has been made to ensure that colours correspond closely to those illustrated in our pattern ranges, yet slight color variations may occur in batches.

### **Color Fastness to Water:**

BS EN ISO 105 E01:2013 / Rating-4

### **Resistance to Crocking:**

DIN EN ISO 105X12:2016 / Wet and Dry- Rating -4

### **General Care Instructions:**

Please follow the below instructions for optimum performance.

- \* Machine Wash at Temperature below 85°F (30°C) in gentle cycle.
- \* Do not add fabric softeners and No harsh detergents. Rinse thoroughly, remove immediately.
- \* No Tumbling, Line dry only.
- \* Touch up with iron if necessary.
- \* Professional Dry Cleaning using Perchloroethylene.
- \* Ensure that the equipment used is free of burrs or sharp objects that can cause snagging.

### **Cleaning :**

Professional Cleaning Preferable

### **Useful Tips :**

These fabrics need constant care. Particular attention should be paid to the parts in regular contacts with arms and hands. All fabrics will age and wear during use and appearance may change with time.

### **Important note:**

**Vista Furnishing Limited.** strongly advises against the use of any further chemical treatment other than specified. We are unable to accept responsibility for any fabrics treated by a third party in this way other than its original manufacturing process.
