100% Blackout, Energy Savings, Noise Reductions Perfectly Suited For Self Lined Drapery Applications

PATTERN NO.

A-(10056)	B-(9266)	C-(9970)	D-(10003)
Width	:	137CM	
Composition	:	100% Polyester	
GSM	:	345 COATED, 163 UNCOATED	

Color Matching:

Whilst every effort has been made to ensure that colours correspond closely to those illustrated in our pattern ranges, yet slight color variations may occur in batches.

Color Fastness to Light:

AATCC Test Method 16A-60 Hours / Class 4

Resistance to Crocking:

AATCC Test Method 8 – Wet and Dry Class 4

General Care Instructions:

Please follow the enclosed information for optimum Performance.

- * Machine Wash at Temperature below 85°F (30°C) in gentle cycle.
- * Do not add fabric softeners and No harsh detergents. Rinse thoroughly, remove immediately.
- * No Tumbling, Line dry only.
- * Touch up with iron if necessary at warm polyester setting ON THE FABRIC SIDE ONLY.
- * Professional Dry Cleaning using only NEW FRESHLY DISTILLED SOLVENT.
- * Ensure that the equipment used is free of burrs or sharp objects that can cause snagging.

Recommended Styling for Curtain to optimize Blackout Properties performance

Grommet

Rod pocket with back tab

Pinch pleate with flaten band

Pinch pleate with cotton tab

pinch pleate with back tab

Recommended Needle size for stitching is 14 No.

Important note:

Vista Furnishing Limited strongly advises against the use of any further chemical treatment other than specified. We are unable to accept responsibility for any fabrics treated by a third party in this way other than its original manufacturing process.

RRP RATE = 840
