**General Care Instructions:**

These fabrics will repay constant care. Regular turning of the cushions will help greatly to maintain the appearance of the fabric, as will frequent treatment with a hand vacuum cleaner. Particulars attention should be paid to those parts of the suite which are in regular contact with hence and arms.

**Cleaning :**

Professional Cleaning only

**Useful Tips :**

These fabrics need constant care. Particular attention should be paid to the parts in regular contacts with arms and hands. All fabrics will age and wear during use and appearance may change with time.

**Wash Care Instructions:**

**Important note:**

Vista Furnishing Limited, strongly advises against the use of any further chemical treatment other than specified. We are unable to accept responsibility for any fabrics treated by a third party in this way other than its original manufacturing process.
